

Goodness Nwankwo

Product Designer

Having used a bunch of applications with terrible UI/UX, decided to become a product designer committed to developing products that are usable, accessible and pleasant from a users point of view while also satisfying client's requirements. Also worked as a graphics designers for over three years, becoming knowledgeable about design principles (Gestalt) in the process, and is committed to learning and continuous improvement by taking design courses on the Interaction Design Foundation (IxDF) and other learning platforms.
